**INDIACom-2019** is an amalgamation of four different Tracks organized parallel to each other, in addition to few theme based Special Sessions, as listed below:-

- Track #1: Sustainable Computing
- Track #2: High Performance Computing
- Track #3: High Speed Networking and Information Security
- Track #4: Software Engineering and Emerging Technologies
- Track #5: Theme Based Special Sessions

The conference will provide a platform for technical exchanges within the research community and will encompass regular paper presentation sessions, invited talks, key note addresses, panel discussions and poster exhibitions.

### Paper Submission

Authors from across different parts of the world are invited to submit their papers. Authors wishing to submit their papers must refer to the website, for paper structuring and formatting guidelines in detail, at Technical Guidelines. Authors should submit their papers online at the link **Submit Paper**. Unregistered authors should first create an account using **Add Member** link, to log on and submit paper. Only electronic submissions will be considered. Papers submitted by e-mail will not be considered.

### Review Process, Publication and Indexing

The conference aims at carrying out two rounds of review process. In the first round, the papers submitted by the authors will be assessed on the basis of their technical suitability, scope of work and plagiarism. The corresponding authors of qualifying submissions will be intimated for their papers to be double blind reviewed by three experts on the basis of originality, novelty, clarity, completeness, relevance, significance and research contribution. The shortlisted papers of all the tracks (Track 1 - Track 5) will be accepted for presentation and publication in the Soft Copy of Conference proceedings, bearing **ISBN serial 978-93-80544-32-8**, on the conference website. **Please note that the Proceedings of INDIACom-2019 will be published in Soft Copy only.**

INDIACom-2019 has applied to **IEEE's Conference Publication Program (IEEE CPP)**. This means that the Conference proceedings of accepted papers (for oral presentations), **which will be presented in the conference**, will be submitted to **IEEE Xplore**, for Publication & Indexing.
