Subject: Status of the indexing of the Proceedings of INDIACom-2018 at IEEE Xplore.

Dear Author (s),

Thank you so much for your active interest and overwhelming response to **INDIACom - 2018**.

The Proceedings of the Papers, presented during **INDIACom-2018**, has been submitted to **IEEE's Conference Publication Program (CPP)**, on **05th April, 2018**, for indexing at IEEE Xplore, after required processing by IEEE CPP. All of us will be eagerly waiting for its indexing at IEEE Xplore, at the earliest. However, giving any final date, at my level, will not be possible, as it is a 03rd party services i.e. from IEEE CPP. Further, please be informed that, nowadays, IEEE has huge inflow of Conference Papers, from all over the world, which is increasing the volume of the work at IEEE CPP level and delaying the final processing. Consequent upon which, now, in general, indexing of papers at IEEE Xplore, is taking 12 to 18 months time.

We will inform you, the moment it is available at IEEE Xplore. However, for your reference, the copy of the complete Proceedings is already available at our web-portal at <http://bvicam.ac.in/indiacom/INDIACom%20Proceedings.asp>, from where the paper may be downloaded, for any intermediate use.

Thank you so much for your kind co-operation. We appreciate your patience!

With best regards,

(Prof. M. N. Hoda)
